

For 15 years...

**... our PLM products have led the way in India and Middle East.
Today, our market is growing to Europ and S.E Asia.**

**We need seasoned business and technology professionals
to help us drive this growth.**

If you:

- have what it takes to be part of a product company
- are ready for a secure long-term career
- want to challenge technology and build long-term value

Visit us at the Hindu Opportunities Fair on August 18 (stall no: 15)
